

MEMBERS ACCESS SCHEME

Scotland's Golf Coast is a marketing alliance – including golf clubs, accommodation providers and other local businesses – working together with the aim of developing and promoting golf tourism in/around East Lothian: Scotland's Golf Coast.

One of the benefits of Gifford Golf Club's membership of Scotland's Golf Coast is the Members' Access Scheme where Members can play other courses at a reduced green fee.

The conditions of the scheme and the list of participating clubs are shown below.

Bookings can only be made within 7 days of play and although play at weekends is allowed, subject to availability, bookings must be put in place on a weekday.

Gifford Golf Club Members wishing to use the scheme must make arrangements via the Club Manager's Office only. The Club Manager will then contact the appropriate Club Secretary to make reservations on behalf of Members. You will only be able to play each course once in the season and discounted tee-times are subject to availability.

Standard green fees will be reduced by 50% for visiting Members as follows:

Figures in red are the price Members will pay
(Figures in brackets are actual Green Fees)

<u>Club</u>	<u>Weekday</u>	<u>Weekend</u>
